# Hello,

We are KwikSweep, a **junk removal service** providing an approved, quality-assured waste collection and disposal service to households and businesses across London.

We'd like you to meet KwikSweep, **the first junk removal app of its kind**. We hope to inspire more businesses and home owners to dispose of their junk using our sustainable methods. Simply download the free app on your smartphone, take a photo/video of your junk for a KWIK quote and instantly book a collection.

**All payments can be made directly through the app via debit or credit card.**
